CONGREGATION EXTENDS PRACTICALLY UNANIMOUS CALL TO REV. MR. YOUNG

Following the evening service at United church on Sunday last, a meeting of the members and adherents of the church was held for the purpose of giving consideration to the resignation of the pastor, Rev. W. T. Young.

The formal resignation had been placed in the hands of the church board through Mr. W. H. Chappell, as secretary, and the board being unable to decide the matter, instructed that same be brought before the congregation as a whole.

At the outset, it was stated by Mr. Chappell and others that Mr. Young had made up his mind definitely to relinquish his connection with the church here as pastor; nevertheless a motion was made that Mr. Young be asked to reconsider his resignation and remain for another year. The resolution was endorsed almost unanimously by a paper-ballot vote, and Mr. Young was allowed one week to reconsider the matter.

General regret is felt by people of all classes and creeds in the community at the proposed departure of Mr. Young. It can safely be said that no single individual in the district has devoted so much of his time and ability and made such sacrifices in the interests of the young people as Mr. Young, and his departure at this stage would entail an almost irreparable loss that the older, as well as the young folks, will appreciate.

Mr. Young's plans for the future are yet indefinite, beyond the fact that his whole heart and soul is wrapped up in a desire to serve the younger element. This work he has accomplished in a most commendable manner here and the various organizations—Tuxis, C.G.I.T., baseball, hockey, basketball and other clubs—are here to testify.

CONCERT TO BE STAGED AT HILLCREST AND BELLEVUE

A splendid concert programme has been arranged jointly by Bellevue and Hillcrest artists, to be staged at the Hillcrest theatre on the night of Wednesday, March 30th, and at the Bellevue theatre the night of Tuesday, April 5th.

The following artists will take part: Mr. Altham, Hillcrest, pianoforte; Mr. W. Goodwin, Bellevue, saxophone; Mrs. Silcox, Hillcrest, contralto; Messrs. Fred Padgett, Fred Utley and E. C. Cosstick, Bellevue, comedians; Misses Irma and Hazel McDonald, Bellevue, pianoforte duet; Misses Enid and Peggy Cole, contralto and dramatic; H. Stobbs, Hillcrest, violin; R. Dodd, Hillcrest, tenor; Mrs. C. Pinder, Hillcrest, soprano; Goodwin Brothers, Bellevue, instrumentalists.

Concerts commence at 8 sharp, proceeds in aid of church funds.

FIRST AID EXAMINATIONS

The examination of the Blairmore centre of the St. John Ambulance Association First Aid class took place at the general office of the West Canadian Collieries, Blairmore, on Sunday last, from 10.30, the examining officer being Dr. J. A. Key, of Bellevue, assisted by Fred Padgett and Ben Milnes, also of Bellevue. The examination was conducted under the supervision of Mr. Ed. Royle, an inspector under the Alberta Workmen's Compensation Act.

The successful candidates were: Emil Blas, Joseph McDougall, William Peters, Edward Thibodeau, Mike Tyrlik, Marshall Hamilton, Harvey Carmichael, certificates; Thomas Evans, John McAndrew, vouchers; Walter J. North, Milton Congdon, William H. Chappell, David Martin, medals.

COUNCIL SUPPORTS MUSICAL FESTIVAL

The regular meeting of the town council on Monday night was attended by Mayor Farmer, Councillors Sartoris, Beebe, Hamilton, Ferguson, McVey and Morgan, and Secretary Kelly.

The minutes of previous meeting were approved as read and a batch of small accounts were passed for payment.

The new waterworks by-law, together with schedule of fees, received final reading and was duly passed with the seal of the town and signatures of the mayor and secretary.

By-law providing penalties in connection with the various municipal by-laws, was also passed.

Baptiste Serandini briefly addressed the council in connection with his property in East Blairmore. Mr. Serandini has been a resident of the province for upwards of twenty years, most of which time he has spent in Blairmore. During his stay here, he had the good fortune of becoming an intimate acquaintance of Archie McLeod, William Lyon Mackenzie King, Lord Byng and others, all of whom he referred to in glowing terms.

On motion by Councillors Morgan and McVey, it was decided that the town clerk should be not allowed commission on house-wiring work done during town hours.

Communication was received from Rev. Father Harrington, St. Anne's Rectory, thanking the council for their action in connection with exemption of church property from light and water rates.

Letter was received from the committee of the Crows' Nest Pass Sunday School Musical Festival, asking for financial support. The council voted \$100 to the cause, which will go towards purchase of prizes.

BLAIRMORE TENNIS CLUB

The regular meeting, and by-the-way the first meeting of the year of the Blairmore Tennis Club, will be held at the General Offices of the West Canadian Collieries on Thursday, March 31st, at 8 p.m. All members are requested to be present.

WILLIAM T. PATTERSON DIES AT TRAIL, B.C.

A telegram was received by the secretary of the local L.O.O.F. Lodge on Tuesday morning, apprising of the death of William T. Patterson, which occurred on Monday evening at Trail. No particulars were given.

Mr. Patterson was the eldest son of Mr. and Mrs. Peter Patterson, former residents of Blairmore, and left here for Trail with his family but a few months ago. He was a member of Blairmore Lodge of Oddfellows and a past grand. He is survived by a wife and one child, as well as parents, two brothers and three sisters. Mrs. J. W. Verge, of Calgary, is a sister.

CHAMPIONSHIP JUNIORS TO BE BANQUETED TOMORROW

The members of the Blairmore Tuxis, junior hockey champions of Alberta, will be the guests of the citizens of Blairmore tomorrow (Friday) night, at a banquet to be given at the Tea Kettle Inn at 7 o'clock, at which the boys will be presented with suitably engraved gold watches.

Tickets may be procured from either Mr. Robert Gray or Mr. L. I. Morgan for the sum of 50 cents each, and all those wishing to attend should procure their tickets early as possible. All are welcome.

Hugh C. MacDonald, K.C., charged jointly with Mrs. Margaret Adick of grievously wounding the latter's husband, Veto Adick, during a New Year's Eve party at Edmonton, was found not guilty and discharged from custody. Mrs. Adick was found guilty and fined \$200.

Members of the Fernie Senior Hockey Club were the guests of the St. Kimberley, under the style of the Rotary Club on Thursday night last, Kimberley Dry Goods Co., has assigned the four teams competing in the ed for the benefit of creditors. Rahal's events were presented with at one time conducted a dry goods cups, medals, etc. business in Blairmore.

GENERAL MOTORS' LATEST ACHIEVEMENT

The New and Finer
PONTIAC SIX**SEDAN**
\$985at Factory, Oshawa
Sales Tax Extra
NO EXCISE TAX

General Motors today announces an entirely new line of Pontiac Sixes, notably enhanced in beauty, incorporating numerous refinements in design, carrying new low prices—and constituting the most electrifying development in the low-priced six field since the now-historic introduction of the original Pontiac Six!

New Fisher Body

Never before in any low-priced six have been achieved such commanding beauty and luxury. The new bodies by Fisher are longer, lower and superbly executed.

All New Duco Colors

To emphasize their inherent smartness all body types are finished in new combinations of Duco colors.

New Beauty and Style

Pontiac Six beauty has always been outstanding. But now in these new and finer models has been achieved not only new beauty, but also an arresting rakishness—the result of a deeper radiator; larger, heavier, and more sweeping crown fenders; and more massive headlamps. Windshield pillars are narrowed to conform to the accepted custom-built vogue and to provide a wider area of visibility. Window ledges are smartly recessed and finished in a contrasting color.

The new and finer Pontiac Six introduces many new features and refinements in engineering design—such as tilting-beam headlights with foot control, new transmission and brake levers, steering wheel with aluminum spider, a clutch even smoother and more positive in action and an oil-sealed universal joint.

Two New Body Types

Two entirely new body types of characteristic beauty have been added to the Pontiac Six line. These are a dashing, youthful Sport Roadster and a 4-passenger Sport Cabriolet, to rival the vogue and smartness of the highest priced cars of the day. Both are offered at prices which reflect the economies of General Motors' tremendous purchasing power.

From the hour of its introduction, the Pontiac Six kindled enthusiasm all over the land. Developed on the great General Motors Proving Ground, it introduced elements of sturdiness, performance, economy and comfort unheard of at the price.

Now there is a new and finer Pontiac Six—a triumph reflecting all the experience, skill and tremendous resources of General Motors!

SUNDAY SCHOOL BY POST

In order that children of scattered families may receive religious instruction a novel method is being employed by the Church of England in Drumheller.

On receipt of the name and address of any children desiring the same a monthly supply of children's papers are posted to the child with definite instructions and a space for the student to answer questions bearing upon the subject. These are mailed in again and corrected and marks given by the Sunday school superintendent, prizes being awarded at the close of the year. This method makes it possible for children anywhere to

receive the benefits that more fortunate children in the towns near the church enjoy. A scheme is also on foot for a survey of the country territory so that the scattered families may receive occasional ministrations from visiting clergy during the summer months.—Drumheller Review.

Mr. and Mrs. R. G. Powell, of Coleman, are receiving congratulations on the arrival of a son and heir at their home on Monday of last week.

Mrs. Robert Evans recently returned from Seattle, where she was called owing to the illness and subsequent death of her brother, Mr. John Shone. Since her return, Mrs. Evans has received many heartfelt expressions of sympathy from Coleman friends in her sad loss, and keenly appreciates these kind sentiments tendered to her.—Coleman Journal.

ALBERTA ONLY PROVINCE TO RAISE TAXES

EDMONTON, March 18.—By adding \$30,000,000 to the net public debt of the province since taking office in 1921, and by increasing the annual general revenue demanded from \$3,386,000 in 1921 to \$12,501,046 for the year 1927, the present government has caused Alberta to "stick out like a sore thumb" among other provinces of Canada in regard to taxation adjustments. Captain J. T. Shaw, Liberal leader, charged in the legislature Thursday afternoon in the course of an indictment of the government's handling of financial affairs when summing the debate on the annual budget presented in the house Wednesday by Hon. R. G. Reid, provincial treasurer.

The taxation requirements for general expenditure this year meant a levy on every taxpayer in Alberta to the extent of \$100, Captain Shaw declared in his castigation of the administration, the per capita debt amounting to more than \$16.80 this year, without the more than \$5 per capita received through Dominion government grants and payments.

The Liberal leader, in the strongest terms, insisted that the present government was "taxing the people of the province to the point of exhaustion," and that while other provinces and the Dominion government were cutting down expenditure and reducing the tax burden, Alberta instead was adding a greatly increased tax load this year on the backs of the one-fifth of the total population which paid these taxes, and no hopes of future relief was held out in the statement of the treasurer.

COLEMAN FIRST AID TEAM WINS CONTEST

The Coleman Taxis First Aid team won the provincial First Aid competition for juniors in the tests held throughout the province recently. The team will now enter the inter-provincial competition to compete for the Wallace Nesbitt trophy. It is expected that this competition will take place in May.

The boys are proud of their win, as there are a great many teams competing throughout the province. The team consists of four boys, three of whom are attending the Coleman high school, D. Flynn, F. MacLeod, M. Hall and R. Wilson. The success of the boys has been largely owing to the effective training given by Dick Greenough, their instructor and a fireboss at the International mine in Coleman.

The boys scored a total of 227 points out of a possible of 250. The second junior team from Coleman also did well, with a total of 204 points.

CONVICTED OF BLASPHEMOUS LIBEL

Ernest V. Sterry was found guilty in Toronto of blasphemous libel and sentenced to sixty days in jail, with a recommendation that he be deported at the expiration of his sentence. Sterry is an Englishman. Blasphemous libel consists in the publication of any profane words "vilifying or ridiculing God, Jesus Christ, the Holy Ghost, the old or new testament or Christianity in general, with intent to shock and insult believers, or to pervert or mislead the ignorant or unwary."

The Coleman Crystal Rink closed for the season on Saturday night.

The fourth annual banquet of the The Elmwood Juniors were eliminated. The Bellevue Curling Club will be held at a two-game series at Winnipeg. The Bellevue Inn on Thursday next, peg by the Regina Pats, the total score being 6 to 4.

THE PASS FIFTEEN YEARS AGO

(The Blaimore Enterprise, 1912)
January 25.—The Blaimore Brick Company are planning on big improvements in connection with their already well equipped plant, so as to increase capacity to 50,000 bricks per day.

William Clough, a resident of Hillcrest, met sudden death on Wednesday afternoon through the capsize of a sleigh on the road between the Union hotel and his shack near the mine.

The first carnival of the season took place on Wednesday evening on the Blaimore rink, under the patronage of Messrs. Dawson & Green. About 200 people attended. The prize winners were as follows: Best dressed lady, Miss Baird; best dressed girl, Harry Berry; best dressed girl, C. McLeod; best dressed boy, C. McLeod; best costume, Miss E. Kidd. The one-mile race was won by C. Lewis, the half-mile backwards by B. Horton.

The ladies of Central Baptist church last week sent Mrs. O. Anderson, Sedgwick, a gold bracelet and cut-glass earring set. Mrs. Anderson was formerly Miss Annie Smith and resided for a while at Frank, later keeping a boarding house in Blaimore. She was married about three weeks ago.

Carpenters are busy erecting buildings near the West Canadian Collieries' mines in Blaimore for the purpose of storing the mine rescue apparatus, which will arrive the early part of next month.

Pelletier's sawmill, located about seven miles northwest of Blaimore, was totally destroyed by fire early this morning.

Capt. W. A. Beebe and W. L. Shera were successful in capturing a young lad who had entered the town secretary's office, next to Capt's office, on Monday night. The lad entered through a window and claimed to be looking for a pair of gloves he had lost. No action will be taken against the lad.

Johnny Reid is entering suit against the Calgary Albertan, claiming \$25,000 damages for alleged libel.

Willie, the eighteen-month-old son of Mr. and Mrs. H. E. Lyon, died on Friday afternoon, following a brief illness.

G. M. Ponton, formerly of the West Canadian Collieries' staff of engineers, but now of Edmonton, came to town on Friday and returned north Sunday.

February 1.—A branch of the St. John Ambulance Association is to be formed in Blaimore on Thursday evening.

The marriage of R. M. Brisco to Miss Carrie Guttridge was solemnized at Chatham, Ontario, on January 15th.

Mr. H. H. Tate has arrived to take charge of the new branch of the Royal Bank.

Alex. Cameron, of Coleman, was in Cowley on Tuesday, assisting Grand Master McNabb with some A. F. & A. M. lodge work.

Dick Marshall and Curly Smith fought fifteen rounds to a draw at the Blaimore opera house on Monday night.

Died, at Frank hospital, on Friday, January 26th, Mrs. Kovach, wife of August Kovach, of Passburg. Funeral took place on Sunday in Passburg, Rev. W. T. Young officiating.

Thomas Madden and daughter Pearl returned home to Lundbreck from Calgary on Monday.

Jack Brooks and family have arrived at Bellevue from Cape Breton.

February 8.—R. W. Coulthard has resigned from the general management of the West Canadian Collieries, which position he has held for the last two years. It has not been officially announced who his successor will be, but Mr. J. Menard is acting

temporarily.

It has been decided that the car shops for the Crow's Nest Pass Electric Railway will be located in Blaimore.

Last week, Mr. H. E. Lyon, accompanied by the mayor of Medicine Hat and the general manager of the Alberta Clay Products Co., of the same city, journeyed to Winnipeg to interview certain C.P.R. officials regarding the building of a spur from the railroad near Crow's Nest Lake to a short distance southwest, where there is an inexhaustible supply of clay highly suited for the manufacture of pipe and tile.

The school report for the month of January is very encouraging. The following comprise the staff: Miss M. B. O'Brien, principal; Miss E. M. Fulton, Miss K. B. Darrach and Mrs. Page.

The marriage of Mr. James McNeill to Miss Jeannie Kerr was solemnized by Rev. A. S. Tod on Friday evening.

"The Private Secretary" will appear at the opera house here on February the 24th.

A choir of twenty voices, under the leadership of Mr. Watts Goodwin, has been organized at Bellevue.

The men who took in the recent strike and who have been occupying company houses at Bellevue, have been summoned to appear at Macleod on February 19th, and defend themselves for not having paid their rents.

"THE VOLGA BOATMAN"

"The Volga Boatman," Cecil B. DeMille's second independent offering, which appears at the local Orpheum Theatre on Saturday, matinee and evening, is as correct historically, as any motion picture can be made.

Elmer Fair, William Boyd, Victor Varconi, Robert Edson and Theodore Kosloff are the principal players chosen by DeMille. Miss Fair, with a splendid record behind her, is DeMille's latest nominee for future stardom. William Boyd is the fast-rising leading-man of "Steel Preferred" and "The Road to Yesterday." Victor Varconi is a Hungarian matinee idol, who, after an American year in "Triumph" and "Changing Husbands," returned to Europe where he appeared in the biggest film ever made on the continent, "The Last Days of Pompeii." Theodore Kosloff, most famous of all Russian dancers and actors, needs no introduction on the score of his ability to contribute splendidly both as an actor and technical expert on Russian affairs. Robert Edson is a talented and popular player.

As the exotic centerpiece of his story, Konrad Bercovici, who wrote the treatment, and Lenore Coffee, the adaptor, have made "The Volga Boatman," straining in his harness, the leader of a group of revolutionists, while the main feminine figure is Princess Vera, a proud young Russian aristocrat. The initial scenes were photographed on the Sacramento River in California, fifty miles from the nearest railroad, where a wild portion of the stream was transformed into a veritable reproduction of the Volga.

One of the great situations in the story is a meeting in a Volga Inn of a small body of "Whites," or royalists, and a large body of "Reds." A "Red" is killed and this starts the story off on an amazingly dramatic series of events. There is a tremendous ball of the aristocrats interrupted by the crashing of a shell through the roof. There are incidents of power and drama on the river, between the Red and White lines, and in a palace. The whole picture is keyed to present for the first time, the full essence of Russia's story, the greatest drama history has known.

John Dubeck, of Burnis, was found guilty of unlawfully wounding his wife, but not with intent to do grievous bodily harm, and was on Thursday morning last sentenced to serve two years less a day in the provincial jail at Lethbridge.

True Distinction

Beautiful Chevrolet
Chevrolet History

CF-2718

NOT merely to provide an economical means of transportation has been the aim in the making of the Most Beautiful Chevrolet—but to produce a car, at low prices, which would satisfy the motorist's finer tastes. True distinction is evident in every line of the Fisher-Built Bodies of the Most Beautiful Chevrolet in Chevrolet History. Refinement and good taste are reflected in the new Duo colorings—in the rich, luxurious upholstery—in the handsome new radiator design—in the massive full-crown fenders—in the fine-quality hardware—in the complete-ness of the appointments.

As there is the quality of the thoroughbred in the appearance of the Most Beautiful Chevrolet in Chevrolet History, so there is the same quality in its performance. New refinements, added to the smooth, powerful Chevrolet engine (the New A.C. Air Cleaner and Oil Filter, for example), offer definite assurance of longer life, better operation and greater economy.

The Most Beautiful Chevrolet in Chevrolet History is now selling at NEW and LOWER PRICES—the lowest for which Chevrolet has ever been sold in Canada.

THERE IS A DEEP GULF OF DIFFERENCE

Taking note of a recent comment that, "if a private business institution were conducted like the Washington state legislature it would go bankrupt," the Yakima Republic asks: "Then why doesn't the legislature go that way?"

For the sole and sufficient reason that no private business is permitted to levy taxes upon the public and force collection under penalty of confiscation. The legislature can do that. When it says "Give," every taxpayer in the state must give or lose his property.

So long as taxes can be collected from the people, every state, county or city institution or agency may operate in a lax, extravagant or inefficient way and avoid bankruptcy. A state-supported institution of higher learning, for instance, derives its support from public funds, and so long as the legislature will provide the funds and the people can continue to pay taxes, it can operate indefinitely, without fear of bankruptcy and immune from the anxieties that are the lot of private industry, business or employment.

This is not to be twisted into a false interpretation that The Spokesman-Review would dispense with the legislature or educational institutions. It is just a reminder of a fact not always considered—that institutions and individuals on the public payroll are not under the necessity of close calculation and thoughtful economies that besets the individual citizen, who must make a success of his business or occupation, under penalty of bankruptcy or faring forth in search of a new location.—Spokesman-Review.

BELLEVUE UNITED CHURCH
LADIES' AID ELECTION OFFICERS

The Ladies' Aid of the Bellevue United Church held their regular meeting in the ladies' parlor of the church last Monday evening. A large number of members were present. A lengthy and interesting programme of business was transacted. One of the most important items was the election of officers for the ensuing year. Those elected were as follows:

President—Mrs. S. J. Curry.
Vice-President—Mrs. J. W. Oliver.
Secretary—Mrs. W. Prescott.
Treasurer—Mrs. J. D. McDonald.

The ladies have decided to hold a tea and apron sale on Saturday, April the 16th.

At the conclusion of the business, refreshments were served by Mrs. F. Padgett and Mrs. Wm. Prescott.

Port Arthur Juniors have grabbed off the championship of Western Canada, defeating the Regina St. Pats in the series 5 to 3.

The remains of little Angus Hoffman, who died at Bellevue on Sunday morning, were taken to Pincher Creek on Tuesday for burial.

"Porter, fifty cents for another pitcher of ice water."

"Sorry, sah, but if I takes any more ice, dat corpse in de baggage car ain't going to keep."

Subscriptions towards the funds of the Crow's Nest Pass Musical Festival are coming in liberally. Also, many new entries have been received during the past few days.

To replenish depleted British Columbia herds, a carload of mountain sheep from Banff national park, and another from Wainwright national park, will be shipped shortly.

Scott's Grocery have moved into their new quarters in the Pazio block, first door east of the post office. The new store is larger, brighter and more attractive and has just undergone a complete renovation.

COWLEY HAPPENINGS

Mr. Nicholson, of North Fork, is a present Calgary visitor.

Mr. and Mrs. Lionel V. M. Peel are receiving congratulations on the birth of a son. Both mother and babe are getting on nicely.

Mrs. Griffith entertained the Canadian Girls in Training and their mothers at a dinner on Thursday afternoon, at her home.

Miss Doris McEwen, who is attending the Garbutt Business College at Lethbridge, spent the week end in town with her parents.

In spite of bad roads, a good crowd turned out to the dance held here on Friday night under the auspices of the Women's Institute. An exceptionally good time is reported.

The second of the series of rummy drives will take place at the close of the regular Elks' lodge meeting on the night of April 12th.

Mr. Day, representing Fashion Craft brand of made-to-measure clothes, will be at the store of F. M. Thompson Co. on April 2nd, Saturday.

Owing to the banquet and presentation taking place tomorrow night, the regular monthly meeting of the Blaimore School Board has been postponed to Friday night of next week.

A representative of the R. H. Williams Co. will be at the store of F. M. Thompson Co. on Thursday and Friday, March 31st and April 1st, with a line of ladies' coats, dresses, etc.

We still have a few copies of our new booklet on hand, "What We Know About Women." Copies may be obtained upon application. The price is six million marks per copy.

R. MacBeth, formerly of the Lethbridge Mercantile Co., who has been in poor health for some time and now somewhat recuperated, spent yesterday with old friends in Blaimore, while enroute to Vernon, B.C., where he hopes to rest up for a while.

The long days we long for will be along before long. Charlie Sartoris returned Saturday morning from a visit to Italy.

RURAL CREDITS BILL NOW GIVEN THIRD READING

Ottawa.—Third reading was given by the House of Commons to the bill to establish a federal system of rural credits. The bill is the same as that which passed the House last year but failed to become law.

The bill provides for the constitution of a Canadian farm loan board which will issue farm loan bonds to make long term loans to farmers. The Dominion Government is to provide initial capital for the board to an amount not exceeding five millions and subscribe five per cent. of the capital stock as loans are made. The Government of each province in which loans are made is required to subscribe to the capital stock of the board an amount equal to five per cent. of the loans. The borrower is required to subscribe five per cent. of his loan, payable at the time the loan is made. Farm loan bonds may be held by the Minister of Finance to the extent of 15 million dollars.

During discussion, Henri Bourassa (Independent, Quebec), moved an amendment, that, subject to the approval of any provincial board, loans may be made through "recognized colonization societies" as well as through co-operative societies or to farmers directly. The amendment, said Mr. Bourassa, would place co-operative societies on an equal footing with co-operative societies in the bill; and would include Societe Nationale de Colonization, Montreal, operating under a provincial charter. The amendment was accepted by Mr. Robb and carried.

May Prohibit Traffic In British Honors

Text of Bill Introduced in House Has Been Published

London.—The text has been issued of the bill to prohibit the sale of royal honors which was introduced in the House of Commons by Ernest Thurtle, Laborite. Mr. Thurtle called it "a measure to prevent political parties filling their coffers by the sale of honors."

The bill proposes that any one who is a party to an agreement in regard to recommendation that honor be conferred upon anyone in return for the payment of funds to a political party, be liable to a fine not exceeding \$500 or six months' imprisonment with or without hard labor, or to both fine and imprisonment.

All political parties would be compelled by the bill to submit each year to the Home Secretary a certified complete return of all subscriptions received by them during the preceding year, failing which responsible officials of the party concerned are liable to the same penalties as above.

Explorer Leaves for China

Roy Andrews Will Probe Secrets of Gobi Desert

Seattle, Wn.—Roy Chapman Andrews, noted explorer has sailed from here en route to China again to ferret out the secrets of the Gobi desert, which he believes was the "cradle" of mankind. The United States has in China made the date of his departure from his headquarters in Peking problematical, but the expedition will be prepared to push its way over the age old caravan trail to the desert as soon as the situation warrants. On his last trip into the region, Andrews found dinosaur eggs estimated to be millions of years old.

Retires From Public Life

Former Chinese Premier Has Renounced All Worldly Honors

Rome.—Lu Chao-Hsing, former premier of China, who is an ardent Roman Catholic, has renounced worldly honors and sent the Pope a case containing the high civil, military, and diplomatic decorations awarded him during his long diplomatic career. Along with the decorations the veteran Chinese diplomat sent the Pontiff a letter informing him of his decision to retire to private life and renounce all mundane pomp.

Proposes Help For Canadians

Ottawa.—A proposed resolution advocating that citizens of Canada desirous of settling on Western lands should receive from the government of Canada the same financial aid and treatment as the citizens of Europe has been placed on the order paper of the House by Oscar Boulanger, Liberal, Bellechasse. The question will probably be debated during the session.

Asks Five Millions To Leave Shanghai

Defender of City Willing to Come to Terms With Nationalists

London.—With the Nationalist forces in China keeping up their intensive struggle to surround and isolate the important Nanking position from Shanghai, comes a report from Shanghai that General Chang Tsung-Chang, the Shantungese defender of that city, has offered for a large money consideration to evacuate the terrain he holds and thus save the region from becoming a scene of actual hostilities.

Chang desires about \$5,000,000 for retiring into the province of Kiangsu, says a despatch to the Westminster Gazette. If the amount is not forthcoming, it is asserted he intends, if necessary, to retreat upon Shanghai itself, thus bringing the prize city of the Orient into the struggle for mastery between the northerners and southerners. According to the correspondent Chinese merchants in Shanghai are said to be unable or unwilling to raise the huge sum demanded.

Workers Risked Lives Rescuing Entombed Man

Was Trapped Thirteen Hours When Big Cave In

Pugety Springs, N.C.—Entombed for thirteen hours in a 70 foot well Jeff Ashworth who had been pinned by caved in walls forty feet down in the well was extricated after a group of rescue workers dug away the debris all night by the light of automobile headlights, fan lanterns and candles.

Ashworth was placed in the hands of physicians when he was rescued. He said that he rested easily for the last five hours of his entombment. When he was rescued, Jeff Ashworth said he was exhausted but no outward physical injury was indicated.

As soon as Ashworth's plight became known a crowd of volunteers assembled and began removing the rock caving in of the well. In shifts of three men each the rescuers were lowered into the hole and as fast as they could dug out the debris was drawn to the top.

Infantryman and Rifle Are Most Important

Nothing Has Been Invented to Replace Them in Warfare

Ottawa.—Among all the instruments of warfare which have been invented during and since the last war there is nothing to take the place of the infantryman and his rifle, was the keynote of the report of the council presented at the annual meeting of the Dominion of Canada Rifle Association here. A feature of the council's report was the recommendation of the treasurer that careful consideration be given the suggestion that the size of the team representing Canada at Blaisy be reduced from two officers and 15 shooting members to two officers and 15 shooting members. The suggestion was made in view of the increased cost of ocean transportation.

Anxious To Prevent Wars

League Interested in Keeping Peace Among Non-Member Countries

Geneva.—The League of Nations is interested in preventing the outbreak of any war, regardless of whether the nations concerned are members of the League. This was made clear in a report adopted by the League council committee engaged in interpreting the league covenant as an instrument for preventing war. No nations are named in the report but it indicates that any dispute, even though it involves the United States, Mexico, Turkey or any other non-member, becomes a matter of concern to the council. That body should study the advisability of bringing into play all preventive measures including aerial and naval demonstrations against the state which adopts a hostile attitude.

Thought Government Gave Broke

West Palm Beach, Fla.—A long line of negroes staged a steady run on the United States Post Office here for heavy withdrawals from the Postal Savings Department, following reports circulating widely through the negro section that the Government was giving broke.

Advocates Alberta Line

Ottawa.—Hon. C. A. Dunning, Minister of Railways, intends to bring down a bill to extend for two years the time for the completion of the joint section of the Canadian National branch line from Rosedale, south westerly, Alberta.

Planning British Hollywood

Great Interest Being Taken in New Concern Capitalized at \$5,000,000

London.—Plans for founding a British Hollywood already have been started by British motion picture producers, stated over the prospective passage of the bill now before parliament to foster British motion picture production.

"British Incorporated Pictures, Limited," is being formed to promote the British Hollywood. The new concern, which is capitalized at £1,000,000, plans to promote British pictures on an empire wide basis. It is stated noted artists, authors, and actors are actively interested, including John Galsworthy, Arnold Bennett, Frank Brangwyn and Sybil Thornehill.

Extensive modern studios are to be built near London and directors are to be borrowed from American transactions on a reciprocal basis. Five year options on the film rights of stories by fourteen well-known authors have been secured, it is announced. These include Arnold Bennett, John Galsworthy, Sir Hall Caine, Sir Arthur Conan Doyle, Edna Phillips, Sir Philip Gibbs and Rafael Sabatini. Affiliated companies will operate throughout the empire.

H. B. Road Pushing Ahead

Steel Now Within Eighty Miles of Port Nelson

Winnipeg.—Laying of steel for the Hudson's Bay Railway is now across the Limestone River and within 80 miles of Port Nelson, is the report brought here by Constable E. P. Warren of the P. Pas division of the provincial police force. He reported that work was progressing very favorably under ideal weather conditions.

Constable Warren has just returned from a long trip into Manitoba's hinterland, seeking evidence as to the alleged poisoning of game by trappers.

During the trek, Constable Warren ran short of food and subsisted for several days on dog biscuits and tea. He also reported that he was compelled to destroy four of his huskies owing to lack of rations.

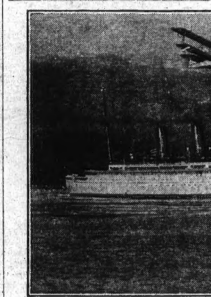

WOULD CREATE A SELLING AGENCY FOR LIVE STOCK

Edmonton.—Establishment of its own selling agency and freedom from any "entangling alliances with our sister provinces to the east until such time as they are ready to accept their share of the responsibility and burden of developing co-operative marketing on a wider basis," is recommended in the directors' report presented at the second annual convention of the Alberta Co-operative Livestock Producers Limited here.

The creation of this selling agency for the livestock handled by the Pool, it is stated in the report, can be financed by the Board by taking advantage of the deductions for reserve fund as provided in the Pool contract. While it is generally understood that this new arrangement, if brought into effect will result in severing the connection which for some time has existed between the Alberta Pool and the United Livestock Growers with head offices in Winnipeg, officials of both organizations are reticent as to the possible effect of the move on the future of co-operative marketing in this province.

Prince Wins Guards Race

Bleicester, Eng.—The Prince of Wales, riding one of his own hunters, won the Lord Manners Cup in the Grenadier Guards regimental polo-point race at the Bleicester hunt meeting. There were fourteen other entries. The prince rode a well judged race and finished a length ahead of the second. He was given a great ovation by the crowd.

Thousands Welcome White Empress

Over 10,000 people lined the coast at Vancouver to welcome the Canadian Pacific Empress of the Pacific, when she steamed into her home port from the Orient recently, gliding in her new harbor of white paint. She was escorted by seven Canadian Government cutters. The decision of the Canadian Pacific to make their entire Pacific fleet white, has met with approval in the shipping world and also by passengers with whom these giant trans-Pacific liners are popular. They will be known as the "White Empresses of the Pacific" and make a beautiful picture steaming through the blue waters of the Pacific.

CONSIDER PLANS FOR CELEBRATION OF JUBILEE DAY

Ottawa.—At the first meeting of the National Committee for commemoration, held here, formal organization was carried out, officers were elected and numerous suggestions were received as to the form the celebration should take.

A suggestion that His Majesty the King should open the celebration by touching a signal in London, immediately after which the new carillon in the tower of the Parliament Building would ring out, and be broadcast, to let all Canada know of the nation's 60th birthday, was considered and practically approved.

During the discussion, M. J. Coldwell, president of the Canadian Teachers' Federation, said that great attention should be paid to the share of children and young people in the jubilee celebration. He said that the organization he represented was not greatly in favor of spending a large amount of money on parades and fireworks.

George Edwards, president of the Canadian Council of Agriculture, said he believed he expressed the views of organized agriculture when he urged upon the committee that the celebration should not be predominantly military. There should be pageants where the achievements of the pioneers should be portrayed.

The draft of the organization of the corporation, consisting of the committee, approved by act of Parliament, was agreed to. A vote of thanks was expressed to Lord Willington and Lady Willington.

In replying, Lord Willington stated that he was proud to be a citizen of Canada at the present juncture and that he and Lady Willington, would join in the work to make the commemoration most successful.

Plan To Visit Provinces

Canadian League Members Will Wait on Ministers of Education

Ottawa.—Deputations to wait upon the ministers of education in each of the nine provinces of the Dominion are being organized under the aegis of the League of Nations Society of Canada with a view to getting definite instruction on the origin, aims and work of the League of Nations included in the curriculum of the elementary schools throughout Canada. It became known here.

A special committee under the chairmanship of Senator H. A. Belcourt has been dealing with the matter.

Inserted Without Authority

London.—Advertisements appearing in newspapers in Scotland stating that the Canadian Government guaranteed employment to emigrants throughout the year were inserted without approval of the Canadian authorities. Hon. L. C. M. Avery, Dominion Secretary stated in the House of Commons that steps were being taken to amend the situation.

Gold Seekers Stake Claims in Blizzard

Another Rush Started to New Area in Nevada

Tonopah, Nev.—The land of gold at Wyeupah held ever-increasing numbers in its spell, as snows and desert rats alike, heard the news of the latest discovery at Barrel Springs, five miles to the south. Two hundred men and women thronged through a blinding moshain storm from Goldfield to Barrel Springs, and stakes out claims in the new area.

The rainbow chasers plunged out through the night while the gale arose to such strength that it blew the storm doors and plate glass windows out of the Goldfield hotel.

The temperature was 13 degrees below zero, with a forty mile an hour wind whistling across the wastes of arid Nevada.

The rush to the new district began before daylight and long after dark the last stragglers began to reach shelter here. Miners at the gold zone, a lead mine 15 miles from Wyeupah, threw down their tools and joined in the dash.

The latest discovery is reached from the head of a precipitous canyon, where a geologist found ore assaying \$75 to the sack, at a depth of 20 feet, in an old shaft.

Unemployment Insurance

Labor Member for North Winnipeg Introduces Resolution

Ottawa.—A resolution declaring that the committee on industrial and international relations should be instructed to investigate and report on the establishment of a system of insurance against unemployment, sickness and invalidity was discussed in the House of Commons.

A. A. Heaps, Winnipeg North, Labor, the mover of the resolution, said in opening that he did not expect the committee would be able to report on the matter this session or perhaps for two or three sessions. It was a big undertaking requiring extensive investigation.

A royal commission, Mr. Heaps said, had been appointed in Great Britain to investigate unemployment insurance and had reported recently that this form of insurance was now a permanent feature in the social life of Great Britain. The act had not been passed in Great Britain according to the commission.

Mr. Heaps stated the tariff board afforded industry in Canada an opportunity to ask for increased protection.

The human element in industry, however, was not given any protection.

THE OUTLOOK FOR IMMIGRATION IS VERY FAVORABLE

Ottawa.—Immigration prospects in the present year are considered particularly favorable in view of the extension of the Department of Immigration in connection with which, Hon. Robert Forke is going to Europe at the conclusion of the session. Every arriving ship is full of intending settlers.

The Department has just renewed the agreement with the Canadian Pacific and Canadian National Railways whereby representatives of the companies are to continue, on the continent, the selection of a hand picked class of immigrants to engage in work as farmers, farm helpers and domestics. The Department is to accept the certificate of the railway representatives as to the occupational fitness of the immigrants for the particular work to which they will be directed, while the companies also guarantee to locate the new comers in jobs.

For the purposes of the agreement, which is to be a three-years continuance of the existing arrangement, expiring next September, Europe will be divided into three areas, the principal one being the British Isles, France, Belgium, Germany, and the Scandinavian countries. People coming from these countries will not require the certificate of occupational fitness but more rigorous condition will be applied to the others.

When the Minister of Immigration is in Great Britain he will take up with the British authorities the question of extending the application of the plan of assisted immigration under the soldier's settlement plan. This is largely a problem of securing the necessary land and, in that connection substantial sums are being offered at very low rates by the railways and the Hudson Bay Company. The whole immigration outlook is considered to be most favorable.

SOVIETS WORRY OVER SEIZURE OF VESSEL BY CHINA

Shanghai.—A wordy battle is going on between Peking and Moscow over the seizure of the Russian vessel Punt-Lenina and the arrest of Mme. Borodin and three Soviet couriers. In a new note demanding the release of the couriers and the vessel, the Soviet Government accuses White Russians of placing suspicious documents aboard the boat to allow a pretext for its seizure and conversion into a warship. The note asserts the couriers were subjected to "barbarous indignities."

Marching Chang Tso-Lin, war lord of the Northern Chinese armies, who has ignored the two previous Soviet protests, makes the charge that Russia not only has violated the Chinese-Russian agreement, but has ignored international obligations by abetting the Nationalist movement at Hankow.

Some interruption of telegraphic communications with the fighting areas west and northwest of Shanghai prevented definite news reaching here. Whether this lack of news is screening new movements, especially around Wuhu, is not known. That city was captured by the Cantonese recently.

There were rumors of negotiations between General P. I. Maximovich, the Shantung troops in Shanghai, and General Chang Kai Shek, commander-in-chief of the southern armies, to arrive at an agreement whereby Chang Kai Shek would peacefully occupy the Nationalists.

Canada Will Remain Loyal

Is Devoted Part of Empire Says Sir Vincent Massey

New York.—Canada will for all time remain a devoted, loyal part of the British Empire and its policy toward other nations will be one of friendship, Hon. Vincent Massey, Canadian minister to Washington, told a distinguished gathering of two thousand here. The occasion was the diplomatic dinner of the American Women's Association, and Mr. Massey was one of a group of speakers representing Canada. Ambassador Sir Esme Howard spoke for Great Britain.

Mr. Massey's brief address was received with great applause.

Mr. Massey voiced his appreciation of the warm reception he had received at Washington and said he hoped to make his office another important link in the strong chain of friendship which stretched across the border.

To Lengthen Life Span

Says Age of 125 Years is Possibility

Paris.—A life span of 135 years and old age of a few months instead of many years are among the possibilities discussed by Dr. Sage Voronoff, the eminent specialist in gland operations, before an audience of foreign newspaper correspondents.

It has been established, said Voronoff, that some men had lived 125 years.

"Therefore," he added, "I and others have the right to live that long."

Voronoff said the glands make the human machinery run and consequently the replacement of glands means that life can be prolonged. He added that a thousand glands had been grafted over a period of seven years and the future would tell how long the new glands would last.

Police Hunt for Poison

Boxes Lost Off Hospital Van Picked Up By Children in London Slums

London.—Squads of police worked feverishly all one night trying to recover 264 tubes of powerful poison which fell off a hospital van in London's east side. The tubes were picked up by small children who used them for playthings.

All about the police trailed the missing tubes from one child to another and by noon had recovered 200. The tubes were packed in bright orange colored boxes, which made them very desirable toys in the eyes of the poor children of the section.

Saar Compromise Plan

Berlin.—Foreign Minister Stresemann's acceptance at Geneva of a compromise plan for solving the Saar Valley dispute by sending occupational troops was unanimously approved by the cabinet. His policy regarding the status of Germany's upper Silesia also was upheld.

This organization has taken an active interest in helping him in his misfortune.

No lives were lost in the hockey war waged on Friday night last between the dads and their boys, though the rafters of the big arena suffered considerably from coming into contact with the feet and skates of the dads who at times were absolutely unable to locate the ice. The boys won by the small margin of 3 to 4. Complaints were general, some against the referee for refusing to penalize where the dads thought it necessary; others because the sticks were not long enough to reach the ice, or the puck was unable to come into contact with the stick. All the dads felt like swearing—that the ice was hard. The game was thoroughly enjoyed by the hundred and on-lookers. Alex. Penman acted as referee, the major penalty being meted out to Bob Gray, goalie for the Dads, who deliberately snatched and threw the rubber to the extreme ends of the earth. Bob was given three minutes. It took him one and a half minutes to go off and the same time to return, so no time was lost. Bob hopes to accept an engagement with Minneapolis.

In Memoriam

In loving memory of our dear Mother and Father:
"Their souls have departed three years from today.
Their spirits have gone to those realms far away.
Our Savior has claimed the sweet souls that he gave,
And left us to mourn by the cold cruel graves.
We miss our dear parents, so true and so kind;
And grieve for our loss, those of us left behind.
And we look at their pictures that hang on the wall,
Remembering that they were so dear to us all."
Inserted by Lily, Bessie, Tom and Albert Crowder.

In loving memory of my dear Brother and Sister, James and Betsy Crowder, who departed this life March 27th and April 1st, 1924—three years ago.

"Three years have passed since that sad day,
When those we loved were called away.
Gone are the faces we loved so dear;
Silent are the voices we loved to hear."

From their loving Brother and Sister,
Martin and Sarah Bohman, 8440 Cahalan, Detroit, U.S.A.

**A HIGH QUALITY
LOW PRICED SIX
WITH
FOUR-WHEEL BRAKES**

The announcement of Four-Wheel Brakes as standard equipment on the Oldsmobile Six—coupled with a number of other important advances in construction—affords still further cause for amazement at the value offered by this low-priced, high-quality car.

No other automobile on the Canadian market today presents, at such modest cost, the remarkable combination of advanced features which distinguish Oldsmobile Six—features which include, in addition to the Four-Wheel Brakes, new, larger, balloon tires, crankcase ventilation, oil filter, dual-spiget, thermostat, electric charging control and heater of exhaust.

When you consider the countless quality features incorporated in Oldsmobile Six—you will surely be able to credit the phenomenal low price at which Oldsmobile can now be bought. Only the enormous purchasing and manufacturing economies of General Motors make possible such striking value.

Before you decide on any car you owe it to yourself to inspect the new Oldsmobile Six at our showroom.

There are a few good territories still available for responsible dealers. Write Olds Motor Works of Canada, Limited, Oshawa, Ontario.
